

Flotronics, Inc. is a full line stocking distributor of pneumatic automation products from the most progressive manufacturers in the fluid power industry. Our innovative pneumatics systems and outstanding customer services are backed by over twenty years' experience in automation and motion control.

IN control

Valves

Directional Control
ISO Standard
Line Mounted
Poppet
Fieldbus Electronics

Air Preparation

Modular FRL's
Lockout Valves
Proportional Regulators
Drip Legs
Pressure Sensors & Switches
Replacement Filters and Bowls

Accessory Products

Fittings
Flow Controls
Check Valves
Mufflers
Gauges

NUMATICS

Authorized Stocking Distributor

IN motion

Cylinders

NFPA Interchangeable
ISO Standard
Non-Repairable
Compact
Rodless

Motion Control

Slides
Gripes
Rotary Actuators
Gantries
Air Bellows
Power Clamps
Motors and Drives

Vacuum Components

Suction Cups
Generators
Ejectors
Switches

flo  **FLEX**TM
S Y S T E M S

A Division of Flotronics, Inc.

Flo-Flex Systems, a division of Flotronics, designs and builds pneumatic systems in panels or on plates, ready for your controls installation. We offer CAD drawings of the complete pneumatic circuit and layout drawings.

 **modular
aluminum
technology**

Modular Aluminum Technology, the sister company to Flotronics, offers complete aluminum profile design and assembly right here in Oakland County. We specialize in conveyors, 3-axis gantries, work benches, enclosures, guarding and more. Special requirements can be implemented economically with the shortest lead times.

10435 Ortonville Road.
Clarkston, Michigan 48348
